KNOPF *Iris Gardens*

Dear Friends:—

We are looking forward to an exceptionally good blooming season in our new garden in Potter Valley, Calif. We do hope you will be able to visit the garden and see for yourself the flowers we have tried to describe in exact coloring, shape and quality. We want to satisfy you with quality rhizomes.

We appreciate your orders in the past and now present you with a few new creations.

Sincerely,
Beebee and Maynard Knopf

1963 INTRODUCTIONS

BEAUTY QUEEN:— 40" ML Sdlg. 13-A-35 White Bouquet x Mission Trails. HC '61 Seedling Certificate '61

Large ruffled and wide ivory cream self. Standards closed with wide flaring falls. Well branched on erect stalks. Very good substance. Fertile both ways. This iris is the one the Judges and visitors to the garden commented so much about and being a full sister to Blue Canopy, you can see the breeding possibilities. \$30.00

DENVER MINT:— Sdlg. 61-74 E-M 38" HC '62 - 10 votes. Seedling Certificate '62 Gold Cup best seedling San Jose show.

A perfect flower on a well branched strong stalk done in Dresden yellow (No. 64 Wilson) shading to (64.3 Wilson) at center of flower. Nicely fluted and waved self. Fertile both ways and has already given some startling seedlings. Sib to Mission Trails x Glittering Amber. \$25.00

DENVER NATIONAL:— Sdlg. 61-54 E (Purissima x Ib Mac True) x (Elmohr x Lela Dixon) HC '62 Seedling Certificate '62 M.L. 36"

Here is a very sharp contrast in the Blue plic class developed from onco breeding. The intense blue contrasting on the clear white background with full wavy and fluted petals. Excellent substance and well branched with 2 and 3 buds to the socket. Will set seed and pollen is fertile. Large and wide. \$25.00

HAT DANCE:— Sdlg. 61-78-E (Fairy x Savage) x (Technicolor X Self) 35" ML. Again from unusual breeding comes a flower of unusual quality. Red — Pure Ox-blood red self without a sign of shading to lighter colors. Standards same as the falls with no reticulation at the hafts. Blooms profusely, slightly ruffled. Fertile both ways. \$25.00

HEART OF FIRE:— (Co-Introducing with H. Schaan) ML 36" (Castlewood x Defiance)

Really gorgeous new smooth red self with no brown haft markings. Petals are very wide and ruffled, form is semi-flaring and blooms are well placed on nicely branched stalks. Three buds to each socket, giving it a long blooming period. Non fading and takes the weather. HC '62. Net \$25.00

CULTURAL DIRECTIONS FOR BEARDED IRIS

1. Must have good drainage.
2. Full sun or not less than half day.
3. Plant rhizome $\frac{3}{4}$ " below surface, spreading roots well. Firm soil well around the roots. Keep moist for at least 2 weeks or until new roots have developed.
3. Plant from 1 to 2 feet apart each way.
5. The soil should be well cultivated in advance with well-rotted cow manure, bone meal, or some well-balanced commercial fertilizer. Iris are happy with phosphate and potash.
6. In keeping your old dried leaves picked off and cleaned up it is not necessary to trim the fans, except when moving the iris, and then only to keep the wind from blowing them over.

IRIS AWARDS

H. C. (High Commendation) is an award to an iris seedling, either under number or name, not introduced at the time of judging.

H. M. (Honorable Mention) is an award to an iris which has been officially registered and introduced.

A. M. (Award of Merit) is an award to an iris that has won an Honorable Mention not less than two or more than five years prior to the current season. There are twelve A. M.'s awarded each year.

D. M. (Dykes Medal) is the highest award an iris may receive. Only one D. M. is awarded each year and in order to be eligible, an iris must have first won an A. M. during the previous years.

On order from \$10.00 to \$15.00 you may select 50% more free iris.

On orders of \$20.00 and up, you may select 100% more free iris.

Generous premiums on all orders.
